TOWN MEETING WARRANT

To the inhabitants of the Town of Bath qualified to vote in Town affairs. You are notified to meet at the Town Hall in Bath on Tuesday, March 13 at ten o'clock in the forenoon to act upon the following subjects:

ARTICLE 1. To choose a Moderator, a Town Clerk & Tax Collector for 3 years, one Selectman for three years, two Library Trustees for three years, a Treasurer, an Auditor, one Trustee of Trust Funds for three years, and all other necessary officers for the ensuing year.

ARTICLE 2. To hear the reports of officers and agents heretofore chosen and to pass any vote relating thereto.

ARTICLE 3. To see how much money the Town will vote to raise and appropriate for Town Officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of the poor, Town Library, for Old Age Assistance, for the Protection of the Public and all other necessary Town charges and expenses for the ensuing year.

ARTICLE 4. To see if the Town will vote to accept State Aid for the construction of Class V roads and to raise and appropriate or set aside the sum of \$1,004.47 and the State to contribute \$6,696.47 for the same.

ARTICLE 5. To see what action the Town will take on the following question: Shall the provision of the Laws relative to the playing games of Beano be adopted in this Town?

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by Tax Collector's Deed.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 to support the Cottage Hospital.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$529.00 as the Town's share of support for North Country Council.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$783.00 as the Town's share of support for North Country Health Agency.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$500.00 to support the Cottage Hospital Ambulance Service.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the capital reserve fund, for the acquisition of new road maintenance equipment as authorized in Chapter 35 of the New Hampshire Revised Statutes Annotated.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$3,600.00 to enter a contract agreement with the Powers-Leete Landfill for the disposal of town garbage and refuse.

ARTICLE 14. To see if the Town will vote to raise and appropriate the

sum of \$9,830.00 to purchase a backhoe and allow the necessary sums to be withdrawn from the capital reserve fund for new road maintenance equipment.

ARTICLE 15. To see if the Town will vote to use the Australian Ballot in the election of all Town elected officials, beginning at the Town Meeting of 1980.

ARTICLE 16. To see if the Town will vote to establish a Budget Committee, said Committee will begin its function for the 1980 Tax year. The Committee to consist of one member from the School Board, one member from the Board of Selectmen and six members at large appointed by the Moderator.

ARTICLE 17. To see if the Town will vote to allow the National Government to purchase a certain tract of land located across the River from the Ammonoosuc Valley Fish and Game Club. This land to be added to the National Forest for multi-land use. (By petition).

ARTICLE 18. To see if the Town will vote to provide Worker's Compensation coverage for eligible employees by participating in the New Hampshire Municipal Association Self-Funded Worker's Compensation Program commencing April 1, 1979, and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

ARTICLE 19. To see if the Town will vote to appropriate \$5,298.00 in Anti-Recession funds for repairs to the Town Building.

ARTICLE 20. To see if the Town will vote to appropriate \$3,830.00 from the General Revenue Sharing Fund for the installation of a sewage system for the Town Building and Town Garage.

ARTICLE 21. To see if the Town will vote to appropriate \$69,815.55 from the General Revenue Sharing Trust Funds to legalize the amounts voted at previous Town Meetings for the purchase of the lot for the Town Garage, for the construction of the Town Garage, replacement of Town Water lines, rewiring the Town Building, extending the heating system in the Town Building and the development of a Tax Map.

ARTICLE 22. To transact any other business that may legally come before this meeting.

DENNIS E. CHASE
GEORGE LINDBLOOM
C. BERNARD SHAW
Selectmen of Bath

SELECTMEN'S COMMENTS

First off we apologize for the late tax billing and now for late delivery of the Town Report. As most of you know this tardiness is the result of a forced State audit. The tax rate could not be set and none of the financial information of the report could be prepared until the audit was complete. The Town had been building a surplus over the past five years and this year the Dept. of Revenue Administration decided to believe our figures and look into the whys and wherefores. The upshot of the audit showed that the State had been setting too high a school tax rate through an error in computing the Woodsville District tax. This error resulted in the town having a surplus of approx. \$60,000.00 in unspent school tax monies. The Town itself had worked up approx. \$40,000.00 of surplus over these five years. We would like to think this latter figure is a combination of good management and good luck. At any rate, this surplus proved to be the salvation for the town to pay off the entire cost of road flood damage of this past June. This amounted to approx. \$40,000.00 over and above the Town's highway budget for the year. We therefore came out of an enormous expense without having to borrow money. The disposition of the remaining portion of the surplus is, by law, to be decided by the Dept. Revenue Administration as to whether it shall be used to lower the tax rate or to release it to the general fund or a combination of both. We are awaiting word as of this printing. The cost of this audit shall be billed to the town by the state. Our information is that it shall be quite high, in the vicinity of \$1,000, however this is the first outside in depth audit in many years and was really overdue. We are happy to report the town's books met with the auditor's satisfaction.

Our Town Clerk and Tax Collector for the past fifteen years shall be retiring this March. We all wish Mrs. Phyllis Schoff a happy retirement along with a huge thank you for so many years of loyal service to the Town.

The Town will also lose another loyal officer of long service. Mr. Dennis Chase has notified the Board he shall not seek nor will he accept another term as Selectman. Denny's wisdom and long experience has been especially appreciated by the present Board. His presence at the weekly meetings shall be missed by the town as a whole.

There will be two very important Town Offices to be filled this Town Meeting. We trust there are civic minded citizens out there to fill these

posts. The Selectmen will inaugurate a new policy with the incoming Clerk. We shall ask Town Meeting to combine the office to that of Town Clerk-Tax Collector for a term of three years. This office shall conduct business at the Selectmen's Office during regular hours. These hours shall be discussed, agreed upon, and set by discussion with the new Clerk. Appropriate office furniture and safe shall be furnished. Any and all aspirants to this very important Town Office may get further information from any Selectman. All possible help shall be given the newly elected Clerk-Collector.

DENNIS CHASE, Chairman
GEORGE LINDBLOOM

Story hour was again enjoyed by our neighborhood children. It was conducted by Pat Roy.

I would like to give thanks to the Bi-Centennial Committee for their gift enabling us to paint the library. A very beautiful job of renovating and painting was done by Tom Rappa and Steve Ide.

Because of the increase in the minimum wage, price of books and magazines, we are asking for a budget increase. This year we were able to purchase only half the amount of books as last year and next year we will only be able to purchase less than half that amount. In order to maintain our present standard we hope to receive this increase.

Our thanks again to the many people who donated books to the library. We hope to see you all in our newly renovated library this year.

SUSAN PICKNELL
Librarian

REPORT OF FIRE DEPT. — 1978

Fires Reported

Jan. 1—Newman's Lumber (Mutual Aid)—Plainer Mill
Jan. 2—Near Francis Aldrich Place—Auto Fire
Jan. 18—Carlyle Gilbert—Chimney Fire
Feb. 4—Near Plain Road—Auto Fire
Feb. 8—Bruce Enderson, Benton (Mutual Aid)—House
Feb. 21—Silas Locke—Hauled water for cattle.
March 19—Randall Burt—Chimney Fire
April 2—Near William Hjelms—Auto Fire
April 15—Silas Locke—Hauled water for cattle.
April 16—James Nutter Home—Pumped out basement.
May 27—Mountain Lakes (Mutual Aid)—Standby for Woodsville F.D.
May 31—Bradley Hill—Tree on fire, struck by lightning.
June 9—Little Eddy—Dumpster on fire.
July 18—Heath Homestead (Mutual Aid)—Structure fire.
Aug. 23—Bradley Hill—Camp—Mattress on fire.
Aug. 28—Wendell Nichols—Fire behind fireplace mantel
Oct. 20—Sam Boutin, Benton (Mutual Aid)—Structural fire.
Oct. 28—Roys, Swiftwater—Chimney fire
Oct. 31—Jasper Ide House—Chimney fire.
Nov. 3—Near Norman Aldrich—Auto accident.
Nov. 6—David Nickerson—Grass fire.
Dec. 8—Merton Tewksbury—Chimney fire.
Dec. 23—William Raismussens—House fire.
Dec. 25—William Raismussens—Hay smoldering.

On Nov. 12, 1978 the Twin State Mutual Aid Radio System went on the air for the first time. This system has proved very useful on Mutual Aid fires to date, although there are still bugs to iron out before the system reaches its full effectiveness. It allows for rapid communication when help is needed from a neighboring department at a fire and allows for departments on a working fire to have constant communication with each other. This gives fire fighters a better opportunity to deploy equipment and men at a fire to reach greater degrees of efficiency from both.

New equipment added during 1978 includes: 2 one hundred foot lengths of 1½" hose and 4 fifty foot lengths of 2½" hose. Four spot lights were purchased to mount on our two tank trucks.

Due to the generous donation of \$800.00 from the Ammonoosuc Grange, Swiftwater, we were able to purchase 12 badly needed Fire Coats and a dozen pair of mittens. Due to rusting, our Lime Green tank truck needed a new coat of paint and this was accomplished.

We now have on order a radio for our green tank truck and four plectron units, which will allow the Twin State Communication Center to alert Fire Department officers at home. One of the plectron units will be installed at

the Fire Station, giving the Twin State Communication Center the ability to activate our siren. We are in hopes that these plectrons will allow us to respond to fires more quickly. We also have purchased a small portable scanner for the Road Agent, which he carries at all times and gives us a man who is available to answer fire calls at any time.

Our Annual Supper and our Street Dance, Barbeque and Raffle were successful money raising operations, THANKS to the continued support of Bath Citizens and the monies earned are used to better and to up-grade our equipment.

As our Town grows, the need for a good Fire Dept. grows and we are doing our best to hold our end up.

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

NORTH COUNTRY HEALTH AGENCY

ANNUAL REPORT 1978

North Country Home Health Agency, from its main office at 60 High St., Littleton, and satellite offices in Cottage Hospital and Linwood Medical Center, provides health care services aimed at both prevention and treatment of disease. The Agency serves residents of 15 towns in the North Country.

In 1978, the following services were delivered:

6173 Skilled Nursing Care visits to patients in their homes. These are for the chronically ill, care following hospitalization or acute care in lieu of hospitalization.

507 Health Promotion visits for the assessment and evaluation of a person's needs and/or problems.

160 Visits to Newborns and their mothers for assistance and reassurance. No charge is made for either health promotions or newborn visits.

200 Physical Therapy visits to homebound patients.

22 Speech Therapy Visits to homebound patients. This is a new service added in November.

8130 Homemaker/Home Health Aide visits for assistance with personal care, light housekeeping and meal preparation, and other health-related services which enable people to remain in their own homes.

Public Health activities, aimed at prevention:

A total of 29 clinics for children were held throughout the area, as well as 4 adult health screening clinics co-sponsored with Lions Clubs. Follow-ups as needed were made on problems discovered in the clinic settings. 739 children received services ranging from immunizations to orthopedic evaluations. 501 adults attended the health screening clinics in four towns. Clinics are available to all residents without charge.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of home care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency.

Services to residents of Bath include:

75 Skilled Nursing Care Visits; 3 Health Promotion Visits; 8 Visits to newborns and Mothers; 16 Physical Therapy Visits; 70 Homemaker/Home Health Aide Visits.

Bath residents usually attend clinics held in Lisbon, but may attend any of the clinics held in our service area.

REPORT OF THE PLANNING BOARD

The year since our last written report has been an extremely busy one. Areas of concern that have occupied our energies have included Waste Water and Sewage Disposal, augmenting our Comprehensive Plan with more specifics, Land Use Guidelines, preparation of amendments to clarify the Subdivision Regulations and, of course, processing of Subdivision Applications.

In the first matter, you will remember that the Planning Board was charged by the Selectmen at Town Meeting, 1978, with the responsibility of continuing the work on the problem of sewage and waste water disposal. We have reviewed the report of Dufresne-Henry Engineering Corporation. We have conferred with officials of the Environmental Protection Agency and the New Hampshire Water Supply and Pollution Control Commission as well as a number of knowledgeable individuals. We have polled homeowners in the three areas of town directly involved and designated in the engineers report as East Bank, West Bank and Lower Bath. In an effort to determine Ammonoosuc River water quality in the Village area, we decided to take a series of water samples for analysis. With the assistance of the Health Officer, the first set of samples was taken in August, sent to the State Laboratory and a report returned. Subsequently, the State refused to test any further samples.

We are now being assisted by Timothy W. Drew, a Planning Engineer on the North Country Council staff. We expect that by the time you read this, we will have met again with NHWSPCC representatives and that we will be able to make a comprehensive report by Town Meeting.

Since effective planning must have a reasonable and understandable basis, we feel a great need to mold our guidelines and Comprehensive Plan into a workable Master Plan. We have used, as our guide, the questionnaires that were answered by many of you a few years ago. We hope to put this information in printed form.

At some time in the future, there will be an information meeting when we will be explaining our work and new amendments to the Subdivision Regulations. We hope you will all come. As we endeavor to plan in your behalf, we need help and guidance from all Bath citizens if our work is to reflect your wishes and accomplish goals that will meet your needs. We are grateful to those people who have assisted us in any way.

George C. Minot was reappointed to the Board for another term. In June Barbara Clough resigned from the Board and Debra Schulenburg, Pettyboro Road, was appointed. Our regular monthly meetings are held on the second Friday at 8:00 P.M. in the Selectmen's Office. Special meeting dates are posted at The Brick Store and the Korner Store. All meetings are public.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Bath qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall at Bath, New Hampshire on the 14th day of March, 1979, polls to be open for the election of District Officers at 3:00 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 8:00 o'clock in the afternoon.

ARTICLE 1. To choose, by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2. To choose, by non-partisan ballot, a School District Clerk for the ensuing year.

ARTICLE 3. To choose, by non-partisan ballot, a Treasurer for the ensuing year.

ARTICLE 4. To choose, by non-partisan ballot, an Auditor for the ensuing year.

ARTICLE 5. To choose, by non-partisan ballot, one School Board Member for a term of three years, ending in 1982.

ARTICLE 6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

ARTICLE 7. To hear any reports of the School Board, Agents, Auditor, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 8. To see if the Bath School District will vote to raise and appropriate a certain sum of money to tuition, on a voluntary basis, to a public kindergarten, any eligible child with the full knowledge and understanding that the parents and/or guardian is responsible to provide transportation of said child. (By Petition).

ARTICLE 9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid fund together with income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

ARTICLE 10. To transact any other business that may legally come before said meeting.

Given under our hands at said Bath this 12th day of February, 1979.

HERBERT G. CHAMBERLAIN, JR.
ROLAND B. CURRIER
ELLEN T. KAISER

School Board of Bath

A True Copy of Warrant — Attest:

HERBERT G. CHAMBERLAIN, JR.
ROLAND B. CURRIER
ELLEN T. KAISER

School Board of Bath

(This is a temporary Warrant. Articles may be added until February 23rd, 1979.)

The Annual Meeting of the Bath School District was called to order at 3:15 P.M. on March 15, 1978 by the Moderator George C. Minot. The Warrant was read. Also the Certification of Posting. The Polls were then declared open for voting for Officers as listed in the first 5 Articles of the Warrant. The polls remained open until 8:10 P.M. when it was voted to suspend the voting during the business meeting to act upon Articles 6 through 11.

ARTICLE 6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

A motion made by Raymond Burton was seconded by Roland Currier that the salaries of above officers be set as prepared in the budget which is published in the Annual Town Report. The Aye-No vote taken was declared affirmative.

ARTICLE 7. To hear any reports of the School Board, Agents, Auditor, Committees or Officers chosen and pass any vote relating thereto.

Motion was made by Raymond Burton and seconded by John Whitney to accept the reports as printed in the Town Report. The Aye-No vote was declared affirmative.

ARTICLE 8. To see if the Bath School District will vote to raise and appropriate a certain sum of money to tuition, on a voluntary basis, to a public kindergarten, any eligible child with the full knowledge and understanding that the parents and/or guardian is responsible to provide transportation of said child. (By Petition).

Patricia Roy made a motion that \$4,180 be raised and appropriated for the above, and that the vote be by paper ballot. During discussion George Lindbloom asked that the motion be amended to read "to Woodsville" not to "a public kindergarten." This was agreed to by those who made and seconded the motion. Raymond Burton spoke opposing the limitation of the place where the kindergarten is located. After more discussion, the motion was made by George Lindbloom and seconded by Philip Roy that action be taken on the article as read. Total votes cast by paper ballot 117. Yes 52, No 65.

ARTICLE 9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid fund together with other income; the school board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

A motion was made by Raymond Burton and was seconded by Roland Currier that \$163,500.81 be raised and appropriated for the purpose stated in the Article. The Aye-No was affirmative.

ARTICLE 10. To see if the district wishes to exclude from its Social

Security plan services rendered by election officials or election workers for each calendar quarter in which remuneration for such services is less than \$50.00.

Raymond Burton asked if Mr. Mullen would explain the election, which he did. Raymond Burton made a motion, which was seconded by Horace Woods that the article be moved. The Aye-No vote was affirmative.

ARTICLE 11. To transact any other business that may legally come before said meeting.

Frederick Kaiser made comments on an article which appeared in the Union Leader of March 14 on worksheets used in the open school concept. This led to a discussion of text books used, the curriculum of a school and methods of teaching. This part of the meeting adjourned at 9:20. The polls were reopened to allow any person to vote who wished. Polls were closed at 9:50 P.M. The results of the balloting for Officers were:

For Moderator:	
George C. Minot	65
Alden Minot	3
Haines Schoff	1
Nelson Chamberlain	1
Bernard Tewksbury	1
For School District Clerk:	
Phyllis Schoff	57
Ernest Roy	1
Karen Nelson	1
For Treasurer:	
June Wyman	118
George Minot	1
For Auditor:	
George Minot	38
Floyd Chase	5
Roland Currier	1
Ellen Kaiser	1
Alden Minot	3
For School Board Member (2 years):	
Paula Gerrish	59
Ellen Kaiser	61
Herbert Chamberlain	5

Billy Carter	1
For School Board Member (3 years):	
Herbert Chamberlain	71
Raymond Burton	61
Ellen Kaiser	2
Herbert Chamberlain, Sr.	1

The Moderator administered the oath of office to those newly elected officers who were present.

PHYLLIS SCHOFF
School District Clerk

March 29, 1978

On March 29, 1978, a meeting called for the purpose of a recount of the vote for School Board Member for two years and called by the petition of Paula Gerrish was called to order by the Moderator George C. Minot at 6:30 P.M. at the Town Hall. Laws governing a recount were read by the Moderator. The results of the recount showed:

Ellen Kaiser	61
Paula Gerrish	59

The Moderator read the laws regarding the results of a recount and appeal of recount.

Meeting adjourned at 7:15 P.M.

PHYLLIS SCHOFF
Clerk

Combined Elementary & High School	\$163,140.81	\$183,048.60
-----------------------------------	--------------	--------------

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The supervisory union's share of the superintendent's salary for 1978-1979 is \$23,865.00 with \$3,000.00 allowed for travel. The retirement board assesses the amount of the teachers' retirement.

Grade 5 Christopher Dennis

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my fourteenth annual report to the voters of the Bath School District.

Last year's report dealt primarily with two major areas of concern facing Monroe School District voters, the New Hampshire Accountability Plan and the formal implementation of the Handicap Law, P.L. 94-142. These programs are not now on the horizon, but are a very distinct part of our educational program.

First, the New Hampshire Accountability Program is in its infancy with proposal from each supervisory union or school district due in Concord by March 31, 1979. A proposal has been written and submitted to each school board for board action prior to the deadline date.

In this plan, we have projected a time frame of two years to comply with the implementation of the proposal. Some of the major challenges to everyone concerned with education vis-a-vis accountability will be:

- How to assure that hard policy decisions do not result in soft implementation.
- How to motivate students to meet the minimum standards.
- Communicating to parents, citizens, teachers and other staff members that the minimums are meant as a floor.
- How to remain patient, rather than abandon the movement because it does not solve the problems in two or three years.
- How to make sure the skills tested are imbedded in the curriculum but, at the same time, making sure they do not become the only curriculum.
- How to enable our school system to make the changes required of them, given present fiscal constraints, the sharp division between elementary and secondary philosophies and programs, and the need for extensive teacher training if all are to be required and responsible for teaching basic skills.
- How to accommodate handicapped students in the scheme of things to be provided. Advice is needed, for example, on how to establish competencies for handicapped students that can be incorporated into federally mandated individualized educational plans.
- Making school boards, administrators and teachers aware of possible legal challenges. One possible challenge is a charge of discrimination if the minimum competency tests measure knowledge or skills which were never taught in our school. Another could be the charge that minimum competency tests were not given an adequate phase-in period. There are a myriad of other problems associated with this program that will arise.

The greatest challenge we will all face is where do we draw the line in granting a high school diploma? Prior to confronting this dilemma we must make special efforts in the primary grades to teach all children the basics. It will not be easy, but we must proceed cautiously and prudently in providing children the opportunity to learn by changing our teaching methodology where past methods have not been successful. In doing so, we

will provide a guide to the clients of education that those who cannot or will not learn shall not be granted a diploma.

The special session of the New Hampshire General Court in the Spring of 1978 changed the funding requirements for school districts under P.L. 94-142. All school districts are obligated to pay double the state average per pupil cost for any out-of-district placement. Before any child is assigned to another school in another district we must obtain the approval of the New Hampshire Department of Education, since they must pick up the difference between twice the state average and the total cost. There are many other variations to the guidelines and law; consequently, we are all attempting to streamline the operations.

Another area of concern which most people do not wish to recognize or simply will not pay adequate attention to is the use of **energy**. If the situation continues to deteriorate, and we are faced with **rationing** of gasoline and heating fuel, **brownouts** and other conservation possibilities; we must prepare for certain eventualities within the school district. Some of these possibilities would be:

- (1) **Reorganization of our school calendar.** We must recognize the fact that we will have to start school earlier and end later with extended vacation time during the winter months. This will cause a change in life style that will be difficult to accept, but we must decide the cost effectiveness of the recommended proposal as opposed to the current school calendar.
- (2) **Change of energy source.** This proposal may sound absurd, but we should investigate the possible change from a completely oil base system to a combination of wood and oil. It might be more economical in a small school set-up, as we have in Bath, to work out a solution with a back-up since oil may be rationed and, also, too expensive.

Our school budget has not been completely finalized at the time this report is being written, but it does show an increase of \$19,547.79. The major portion of this increment, \$12,820.00, is for in-state and out-of-state tuition. The percentage increase for the entire budget is 11.95%, but when one considers all the factors in our economy today, this jump is consistent with everything else around us.

We would like to extend our appreciation and gratitude to Mrs. Barbara Clough who resigned her position last year. She was a dedicated teacher and did an outstanding job with our children.

Our new addition to the teaching staff is Mrs. Barbara Dockham in grades 3 and 4. She has had previous teaching experience in Connecticut, and we feel very fortunate and pleased to have her on our staff.

May I take this opportunity to thank the school board, faculty, and voters of Bath for their support during the past years.

Respectfully submitted,
NORMAN H. MULLEN
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my ninth annual report to the voters of the Bath Village School District.

Our annual Fall Workshop was held on August 30th at Lin-Wood High School. The main theme of the conference was directed at the following question: How do we get creative writing back into the curriculum? This question is a very vital one in today's classroom, even with our renewed emphasis on basic instruction, learners are too often viewed as receivers of information rather than senders. Most tests are designed to assess the number of facts a child has accumulated rather than his ability to communicate those facts. Presently a far greater premium is placed on a student's ability to read and listen than on his ability to speak and write. These are very serious considerations given the fact that good vocal and written expression are essential to the democratic process. Dr. Thomas Newkirk from the University of New Hampshire was our workshop consultant. The entire day was spent in helping teachers in each subject area and at each grade level to provide a greater variety of writing experiences for their students.

On April 10-11, 1978 all schools in Supervisory Union #23 were visited by a Special Education Evaluation Team from the New Hampshire State Department of Education. The purpose of the evaluation was to determine whether we are in compliance with state and federal laws relative to the education of the handicapped. Under the format used by the team, approvals could have ranged from non-approval to approval for a period up to five years. In a letter from Commissioner Brunelle dated June 9, 1978 we were informed that Supervisory Union #23 had been awarded a four year approval. A summary report of the evaluation teams findings is available in another part of the School District Report under the heading, **State Department of Education's On-Site Review of Special Education Programs In Supervisory Union #23**. In general we feel that the report was very favorable.

In November Mr. Doug Brown from the Department of Education inspected our school buildings with respect to new federal legislation which requires us to remove all architectural barriers to handicapped students. This law applies primarily to students with severe physical handicaps such as students confined to wheel chairs, severe visual and hearing impairments and heart disease. It is very difficult to determine exactly what our responsibilities will be relative to this legislation since there is no way to predict the number of physically handicapped children we may have to educate or the nature and severity of their handicapping conditions. In any case it is reasonable to assume that some of our long range concerns may include modification of toilet facilities, extension of hand-rails at the landings of stairways, visual fire warning systems and the like. All schools have recently completed a self evaluation with respect to compliance with these regulations. We have until September 1, 1980 to

assure that there is complete program accessibility for handicapped students.

In the area of instruction, both teachers and administrators will be working to meet the accountability deadlines mentioned in Mr. Mullen's report. If our efforts are successful, we will have compiled a continuum of measurable skills in each subject area and at each grade level. Together with these we will formulate competency tests at the end of grades four, eight and twelve. The results of these tests will provide parents and the public in general with more precise information as to how well our children are performing. Also, these tests will allow teachers to judge a child's strengths and weaknesses and to adjust instruction accordingly.

I would like to direct your attention to the enrollment projection printed separately in this report. This projection averages out the enrollment and computes the survival percentages from grade to grade over the past five years. When we apply these percentages to present enrollments and expected numbers of incoming first graders we will have an idea of what our student population will look like over the next few years. This projection indicates a mild but steady increase in enrollments during the next five years stabilizing at approximately sixty students. Although this is a greater number that we have been used to lately it should pose no immediate problem with respect to facilities or staff.

My sincerest thanks to the School Board, the staff and everyone connected with the Bath Village School District for their excellent support.

Respectfully submitted,
HAROLD J. HASKINS
Assistant Superintendent of Schools

SUPERVISORY UNION #23

REPORT OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during the 1978-1979 school year, will receive a salary of \$26,365.00 made up as follows: \$2,500.00 to be paid by the State Department of Education and \$23,865.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$21,700.00 which is made up as follows: \$2,500.00 to be paid by the State Department of Education and \$19,700.00 prorated among the several school districts. Allowance for travel within the union for the Superintendent is \$3,000.00 and for the Assistant Superintendent, \$2,000.00 also prorated as stated above.

The table below shows the proration of salaries and travel to each school district:

	SUPERINTENDENT'S SALARY	TRAVEL
Bath	\$ 1,274.39	\$ 160.20
Benton	312.63	39.30
Haverhill Cooperative	10,412.30	1,308.90
Lincoln-Woodstock Cooperative	7,985.23	1,003.80

REPORT OF SCHOOL NURSE

BATH 1977-1978

Number of Students Examined	54
Number of Full Days at School	37
Number of Home Visits	45

Screening Tests		Defects	Corrections
Vision Tests	54	2	2
Hearing Tests	54	0	0

Communicable diseases reported: 0

Immunizations administered at school 18

Routine vision and hearing screening tests were completed. Notices were sent home when defects were found.

In February an immunization clinic was held at school with Dr. David Frechette as attending physician. The following immunizations were given: diptheria, tetanus, polio, measles and rubella.

In May registration was held for children entering first grade in September.

Several meetings and conferences as well as a Teacher-Nurse Workshop were attended during the school year.

I wish to thank the School Board members, Mr. Savoy, Teachers, parents and students for their cooperation and interest in our school health program.

Respectfully submitted,
EDITH F. CLARK, R.N.

ON-SITE REVIEW OF SPECIAL EDUCATION PROGRAMS IN SUPERVISORY UNION #23

New Hampshire State Department of Education

April 10-11, 1978

INTRODUCTION

The evaluation team would like to thank the staff of Supervisory Union #23 for their gracious assistance to the evaluation team during their visit on April 10-11, 1978. The visits of the team required close scheduling and coordination. The staff persons of the Supervisory Union were always available to assist in any way (the evaluation team especially appreciates the held from Mrs. Shari Stolper). Mrs. Stolper spent a great deal of time traveling on behalf of the evaluation team to insure that records were available and to provide the team with any required clerical assistance.

Supervisory Union #23 is spread over a large sparsely populated geographical area. Most of the schools within the Supervisory Union have a small population, making it difficult to provide a wide range of special education services. The evaluation team was particularly impressed with the imaginative ways of which the special education team of the Supervisory Union has met this challenge.

SECTION II

Program Commendations

The evaluation team would like to commend: (1) The school by its assistant superintendent, principal, and other administrative personnel for their wholehearted support given to special education programs within Supervisory Union #23; (2) The special education program staff for their enthusiastic, knowledgeable, and serious attitudes towards carrying out their duties; (3) The creative way in which the Supervisory Union #23 utilizes aides to supplement a variety of special education services; (4) The prescriptive teacher for her role in providing quality leadership to the special education programs throughout Supervisory Union #23; (5) The comprehensive process called out for the evaluation of special education students throughout the Supervisory Union; (6) The manner in which confidential files were kept up-to-date, complete, and conclusive; (7) The Supervisory Union for providing released time to professional personnel each week for carrying out staffings, parent conferences, and related activities; (8) The employment of certified and qualified special education professional staff teaching in the areas of specialization; (9) The adequate funding of special education materials and equipment as requested by the professional staff; (10) The smooth and supportive relationship of professional staff members towards each other; (11) The high level of parental acceptance of the programs for special needs children within Supervisory Union #23; and (12) The future plans of the professional staff for program development and improvement.

SECTION III

Program Recommendations and Suggestions

Summary Statement. The committee is quite impressed with the manner in which Supervisory Union #23 is attempting to meet the intent of state and federal regulations pertaining to educational programs for handicapped children. Such a high quality of service is only possible when the total administrative team of a Supervisory Union is working together regarding program goals and objectives.

Evaluations of students are recent and to the point. While the union does not have sophisticated psychological services available on a universal basis, funds were readily spent for such services where simpler levels of evaluation did not provide the needed information. Special education personnel made very appropriate use of less sophisticated evaluation materials to create effective evaluation profiles of students.

The level of involvement of non-special education personnel such as school principals and regular classroom teachers was excellent. Team members did not sense any isolation of special education personnel from the rest of the staff of the school.

The Supervisory Union #23 should be proud of its efforts to meet the needs of special education students. They are making excellent use of the resources available to them.
